Dear Sir:

I, Ricky Don White, son of Roscoe Anthony White, through the Texas Open Records Act am requesting to personally view my father's personnel file of the Dallas Police Department. We are putting together some historical information for a family reunion. We are also requesting xeroxed copies of his file to take with us.

The information we need is dates of employment, specific job duties, honors, demotions, school dates, etc.

Thank you,

Ricky White
